

SUMMARY

FINALIST PRACTICE/PROJECT FROM **FORMAL** EDUCATION INSTITUTION FOR REGIONAL SERVICE-LEARNING AWARD 2025

Dear evaluator,

You are preparing this summary for the Jury of the Regional Service-Learning Award. As you answer the questions below, please ensure that the **practice/project's country of origin or any specific information is not disclosed in the practice/project description**. Instead, use the practice/project's code or just generic term (e.g. student, citizen, town X). Ensure that your responses are in English and do not exceed three pages in length. Make sure you are describing the project for someone that has no idea what the practice/project is about. Also, add quantitative data, where appropriate, like, number of students/teachers engaged, number of community population or business engaged, if possible to get from the application. Make sure that you answer all the questions per each category.

Code of the practice/project: MNE-01
